# Blink IQ 200

Designed for All Locations

The IQ 200 family offers a full range of deployment configurations, from single to multiple cord pedestals, to individual and paired wall mount chargers.

### Wall Mount

Ideal for parking garages the wall mount unit serves EV drivers with minimum fuss.

### Wall Mount with Kiosk

The kiosk and smart unit deployment is best for high density, multiple unit installations.

### Rectangle Pedestal

The rectangle pedestal slim installation is great for small spaces that may wish to expand in the future.

### Triangle Pedestal

Maximizing space, the triangle pedestal can securely mount 1-3 independent charging stations.

### Triangle Pedestal – Dual Port

Dual Port Using the triangle pedestal, the dual port unit features 1 advanced and 1 or 2 smart chargers.
