

EXECUTIVE PROFILE**Mike Battaglia**

It is an exciting time for the Company, and I look forward to building a sales organization that can operate at scale and capitalize on the momentum and **incredible opportunities within the EV industry.**

Vice President of Sales

Mike Battaglia brings over 25 years of automotive, technology and sales experience to the Blink family. He holds deep connections throughout the automotive industry and is an expert in building high performing sales teams.

A Cum Laude graduate of Boston College's Carroll School of Management, Mike Battaglia comes to Blink Charging after a distinguished career at J.D. Power & Associates. During his 15-year career at the company he advanced quickly and held positions ranging from Director of Operational Research to Vice-President of Automotive Retail and Vice President of Sales, among other positions.

Bringing experience from other major companies including Toyota and Penske, Mike has decades of management experience which he applies daily to his role as the VP of Sales at Blink.

Blink Charging

Founded in 2009, Blink is dedicated to slowing climate change by reducing greenhouse gas emissions caused by transportation. We're a driving force in the EV industry, paving the way for the growth and adoption of electric vehicles.
