

EXECUTIVE PROFILE**Aly Bonilla**

Blink is a global company with thousands of chargers around the world

Vice President of Investor Relations

Aly Bonilla is the VP of Investor Relations at Blink, bringing with him nearly 25 years of experience in investor relations and broad financial management, including financial planning, analysis, and operational finance, with several Fortune 500 companies.

In his position, he communicates Blink's story, strategy, and vision to the financial community. Aly has experience working in niche markets, and a proven track record in driving investor and shareholder interest.

He joins Blink Charging after having served as Vice President of Investor Relations for ORBCOMM, a global technology company where he created an investor relations program from the ground up. Protecting the planet is high on Aly's agenda and he is particularly excited to work for Blink, an industry leader in the EV infrastructure space.

Aly received both a Bachelor of Science and an MBA in Finance from Florida Atlantic University and holds the Investor Relations Charter (IRC) designation from the National Investor Relations Institute, a designation few people worldwide have achieved.

Blink Charging

Founded in 2009, Blink is dedicated to slowing climate change by reducing greenhouse gas emissions caused by transportation. We're a driving force in the EV industry, paving the way for the growth and adoption of electric vehicles.
