

**EXECUTIVE PROFILE****Mike Battaglia**

It is an exciting time for the Company, and I look forward to building a sales organization that can operate at scale and capitalize on the momentum and **incredible opportunities within the EV industry.**

**Chief Revenue Officer**

**Mike Battaglia** plays a vital role in the company's overall growth utilizing his more 25 years of automotive, technology and sales experience. As CRO, Mike oversees Blink's global sales organization, develops go-to-market strategies, and identifies new overseas expansion opportunities. He has a track record of building high-performing teams with a focus on key performance metrics.

He holds deep connections throughout the automotive industry and is an expert in building high performing sales teams. A Cum Laude graduate of Boston College's Carroll School of Management, Mike comes to Blink Charging after a distinguished career at J.D. Power & Associates. During his 15-year career at the company he advanced quickly and held positions ranging from Director of Operational Research to Vice-President of Automotive Retail and Vice President of Sales, among other positions. Bringing experience from other major companies including Toyota and Penske, Mike has decades of executive management experience which he applies daily to his role as the Chief Revenue Officer at Blink.

**Blink Charging**

Founded in 2009, Blink is dedicated to slowing climate change by reducing greenhouse gas emissions caused by transportation. We're a driving force in the EV industry, paving the way for the growth and adoption of electric vehicles.
